NEWMARKET HILLY CYCLE SPORTIVE

Brought to you by Newmarket Festival www.thenewmarketfestival.co.uk

Newmarket Festival is a social and community project based in the heart of East Anglia. The Festival promotes Newmarket's economy and invests in its community by organising community based events to raise funds for local causes.

Our aim is to celebrate all of Newmarket – not just the racing and nightclubs that most visitors know us for. To give people who come to Newmarket a reason to stay longer, visit our shops and learn about our businesses. We also aim to help the young people of Newmarket lift their aspirations and give them the skills and opportunities to help them achieve them.
